

Give Special Kids A Smile 2023

One Day Only...

FREE dental care for children & adults with developmental or physical disabilities.

Friday, February 3, 9:00am - 2:00pm

Union City Dental Care Center - 1203 J St., Union City 94587

This event is FREE of charge for children and adults with disabilities. Each patient will receive a dental screening, cleaning, an oral health kit, and potential treatment of their most critical dental needs. There is no insurance required. Patient appointments will be made on a first come, first served basis & registration is required.

- Patients of any age up may participate.
- Vaccination status will be requested from each patient and guardian.
- Covid tests will be administered to patients on site for free. Patients receiving treatment will be required to be tested regardless of vaccination status.
- Masks are required in dental clinics. All participants and guardians will be required to wear a mask when inside the clinic.
- All appointment times are RESERVED and LIMITED, so that we may take care of as many individuals as possible needing care. Please make all efforts to keep the appointment.
- Our clinic is fully ADA compliant and wheelchair friendly.

Please visit our website at www.sacds.org to register for this event or feel free to email us at info@sacds.org or call our office at (510)782-5316.
