

FOSTER BRIDGE PROGRAM

About

In partnership with Alameda County Social Services, 4Cs of Alameda County offers the Foster Bridge Program. This program supports foster families in Alameda County in finding and subsidizing child care.

Eligibility

The program is available through a referral from Alameda County Social Services. Navigation services are for current and former foster families in Southern Alameda County. Those fostering through a Foster Family Agency are not eligible for the child care voucher component of the Foster Bridge program.

Services

Child Care Voucher

Helps foster families pay for child care for up to 12 months following a child's placement in their home.

Family Navigation

Supports foster families in navigating the child care system beyond the initial 12 months.

Trauma-Informed Care Trainings

Helps child care providers understand and respond to the complexities of trauma and its impact on children.
